

Dear Parents,

It seems as if the world as we know it is changing daily and I wanted to touch base with you today on a few important things. First and foremost, be assured we are doing our very best to maintain a sense of normalcy and calm at school. We want to do our best to care for them emotionally and academically. Here are a few things to help you prepare for this year:

*Students may wear any Mary Monday shirt or a blue or red solid t-shirt during the first couple months while the temperatures are warmer.

*Students will need a refillable water bottle.

*Students will need a beach towel for outside classes for something to sit on as well as a tool for social distancing.

*Back to School Night/Meet the Teacher will be virtual this year. I will be sending a google meet invite for Tuesday, August 18 at 6:00.

*Please make sure all school supplies are labeled with their name. It helps tremendously if each crayon and marker have their initials on them.

*Students will bring certain school supplies each day the first week:

- Wednesday - pencils, erasers, colored pencils, markers, binder, folders, notebook, index cards, glue, watercolors, scissors, and headphones
- Thursday - Kleenex, hand sanitizer, and gym shoes
- Friday - Paper towels

I look forward to getting to know your child and watching them grow!

God Bless,
Cassie Burgess
